

6th International Conference on Computer Science, Information System and Communication Technology (ICCSISCT 2017)

<http://www.iccsisct.iisrcrcc.com>

August 24 – 25, 2017

Venue : **Mercuré Stoller Zurich Hotel**

Badenerstrasse 357, Zurich, Switzerland

Final Program Schedule :

August 24, 2017 (Thursday)

Time : 9:00 am – 9:30 am :

Assemble in conference Hall / Registration for National / International participants

Time : 9:30 am – 9:45am :

Morning Tea/Coffee

Time : 9:45am – 10:00am :

Open Ceremony From Organizer

Time : 10:00am onwards :

Oral Paper Presentation Morning Session Starts :

Time : 10:00am – 10:40am

Paper Title : A Fuzzy Based Context-aware Services Adaptation for a Smart Office

Author :

Moeiz Miraoui

High Institute of Applied Sciences and Technology, University of Gafsa, Tunisia

Time : 10:40am – 11:20am

Paper Title : Assessing Neurosky Mindset´s capability to measure the attention mind states during car driving

Authors :

Ana Teixeira, Anabela Gomes, Marta Silva

Escola Superior de Educação de Coimbra (ESEC) – IPC, Portugal

Instituto Superior de Engenharia de Coimbra (ISEC) – IPC, Portugal

Time : 10:40am – 11:20am

Paper Title : Fusion of Weighted Decisions for Cooperative Target Detection in Internet of Things

Authors :

Yee Ming Chen and Chi-Li Tsai

Department of Industrial Engineering and Management, Yuan Ze University, Taiwan

Time : 11:20am – 12:00pm

Paper Tite : Image Captioning Using Multi-Stage Jointly Modeling based on GoogLeNet *

Authors :

Zhenxiang Lin, Jinlin Guo, Songyao Lao

Science and Technology on Information Systems Engineering Laboratory, National University of Defense Technology, Changsha , China

Time : 12:00pm-1:00pm

Lunch Break

1:00pm

Onward Afternoon Session Starts

Time : 1:00pm – 1:40pm

Paper Title : Solving the project portfolio selection problem under external uncertainties through robust modeling

Authors :

Jian Wang, Zewen Cao, Boyuan Xia, Yiyang Shao.

Science and Technology on Information Systems Engineering Laboratory, National University Of Defense Technology in Changsha, China

Time : 1:40pm – 2:20pm

Paper Title : Abnormal Behavior Analysis in Office Automation System within Organizations

Authors :

Yilin Wang, Yun Zhou, Cheng Zhu ?, Xianqiang Zhu, and Weiming Zhang

Science and Technology on Information Systems Engineering Laboratory, National University of Defense Technology, China

Time : 2:20pm – 3:00pm

Paper Title : A Silhouette Coefficient-based Hybrid GA-KMeans Approach to the Clustering Problem

Authors :

Sadjia BENKHIDER and Aouatef MAHANI,

Computer Sciences department, University of Sciences and Technology of Algiers,

Time : 3:00pm – 3:40pm

Paper Title : Computer as Therapy : in role of alternative and augmentative communication

Authors :

Jiří Krajiček, Radek Kočí

Time : 3:40pm – 4:20pm

Paper Title : Six-Port Based Direction-Of-Arrival Detection in Radar System

Authors :

N. S. A. Arshad , L. Y. Chooi , S. Z. Ibrahim, M. S. Razalli

Time : 4:20pm

End of First Day of Conference

August 25 , 2017 (Friday)

Time : 9:00 am – 9:30 am :

Assemble in conference Hall / Registration for National / International participants

Time : 9:30 am – 9:45am :

Morning Tea/Coffee

Time : 9:45 am onwards :

Oral Paper Presentation Morning Session Starts :

Time : 9:45am – 10:25am

Paper Title : Technological environment and SWOT Analysis of Cloud Computing in Europe

Authors : Marešová , Kamil Kuča

Time : 10:25am – 11:05am

Paper Title : Design of Identification Support System for Project Based Learning Fabrication of Mobile 3D Projection System

Authors : Akiyuki Minamide, Kazuya Takemata, Arihiro Kodaka , Sumio Nakamura

Time : 11:05am – 11:55am

Paper Title : Development of E-Portfolio System for Supporting Project Activities

Authors : Kazuya Takemata, Sumio Nakamura , Akiyuki Minamide , Shintarou Wakayama

Time : 11:55am – 12:35pm

Paper Title : Barriers and Drivers in the Adoption of mCommerce in Europe

Authors : Petra Marešová Kamil Kuča

12:35pm – 1:35pm : Lunch Break

Time : 1:35pm – 4:00pm

Virtual Presentation Session

4:00pm : End of Second Day Conference

NOTE : ** Unregistered Papers are NOT included on this Program Schedule
